Claim Objections

Claim 15 is objected to because of the following informalities: Claim 15 as set forth on page 8 of applicant's amendment filed 9/29/06 appears to be an incomplete copy of the beginning of Claim 15 set forth on page 8 of applicant's amendment. It appears that applicant should resubmit the claims without the partial claim 15.

Appropriate correction is required.

Specification

The abstract of the disclosure is objected to because on page 9 line 8, it appears that "23 an 23a" should be changed to "23 and 23a". Similarly, on page 12 lines 1 and 8, it appears that "18 an 18a" should be changed to "18 and 18a". Correction is required. See MPEP § 608.01(b). Additionally, the examiner suggests that applicant review the specification for similar objections.

Allowable Subject Matter

Claims 1-17 are allowed.

Conclusion

This application is in condition for allowance except for the formal matters set forth above.

Prosecution on the merits is closed in accordance with the practice under *Ex* parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO**MONTHS from the mailing date of this letter.
